To all persons afflicted with Gravel.

Mr. J. F. Cowan:—Dear ser:—I hereby certify that in
the summer of the year 1855, a servant of mine, a boy
about 19 years of age, who had always before this time
been stout and of a vigorous constitution, was attacked
with gravel. A Physician was called who attended on
him for several months, during which time he grew
worse daily until he was helpless, and I believe would
have died in a few days had it not been for a friend,
who advised the use of Cowan's Lithontriptic. I precured a few bottles, the first of which gave him renef, cured a few bottles, the first of which gave him renef, and in a short time he was able to walk about, and finally fully recovered; since which time he has had no symptoms of said disease, and to all appearance is as healthy as any servant on my plantation.
